Jordi E. My description (I)

My name is Jordi E. and I'm twelve years old. I'm from La Garriga, Catalonia and I live there. I don't mind going to school because I like working. This year is more difficult because I'm in Year 7 and I've changed of school. We study other things and we learn other subjects. Some of them are better and a few aren't so good, but I like them, too. At home I must do a lot of homework.

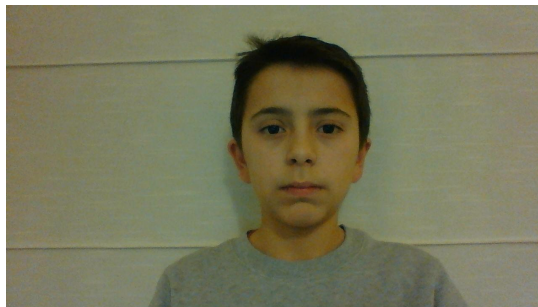

I'm medium height. I'm also a bit good looking and slim (I eat a lot but I don't get fat). I'm not hairy and I'm not old yet, but in a lot of years probably I will be.

My hair is very brown, short, straight and quite fine, it's also dense. I've got brown and quite big eyes. My nose is small, like my nostrils. I've also got not bitten nails, big ears, specially for the lower part, and a small mouth, but not very much.

Jordi E. My description (II)

I think that I'm usually calm, but obviously sometimes I get nervous. I'm friendly with most people, funny with my family, friends and a big part of the other people, I'm serious with the important things, polite when is necessary and talkative. I'm hardworking, too.

My hobbies are playing table tennis, skiing and other sports, chatting and playing games on the computer or on my mobile phone, and staying with my friends. I also like staying with all my family. I'm good at table tennis and quite good at English, but I shouldn't be too much confident.
